Dear Parents,

The 1st nine week period is over and before you know it Thanksgiving and Christmas will be here. As they say.... "Time flies by", and thus preparations are well under way for our 8th grade class trip. The dates for our trip are now set. We will be leaving school on the morning of Friday, April 9th and returning during the late afternoon on Saturday, April 10th. The itinerary of the trip remains the same as was stated on the letter sent home on September 25th. If you need to refer to the September 25th letter, a copy can be found on my homework website. We have also booked the Holiday Inn Express Lafayette South located on 201 Kaliste Saloom Drive as our hotel for the trip (and yes it does have a pool).

In order to accurately price the trip and to make necessary deposits on our buses, hotel rooms and admission charges, we need to gather a count of those wishing to attend. We have tentatively set the price of the trip at \$180.00 per student (4 students per room). This price includes bus transportation, all admission fees, hotel accommodations (4 students per room), lunch and dinner on Friday, and breakfast on Saturday. The price does not include lunch at the Mall of Louisiana in Baton Rouge on Saturday. The price is also dependent on the number of participants; therefore, the price may increase slightly depending on the final group size.

Chaperones are limited to one parent or guardian per child and a limited number of chaperones will be allowed on a first payment/first reserved basis. Chaperones will be allowed to room with either their own child or with another chaperone. For a chaperone (or a student rooming with a parent/guardian) the price for the trip is set at \$210.00 per person (double occupancy).

In order to reserve a place for your child or to be a chaperone for this field trip, we ask you to return the bottom portion of this form with a full non-refundable initial payment of \$60.00 per person by October 28, 2009. The remainder of the price will be payable in two installments later in the school year.

We believe these days will be a fun and exciting end to the 8th grade year. If you have any questions or concerns, please contact Gary Ledet at gledet@vol.org.

Sincerely,

Gary Ledet
